Being part of Tomorrow's Leaders is a very responsible job. We want to make sure we offer a place to the right people. It might not be the right time to do the course for some people. Is there anything that might affect how you spend your time on the course or who you spend it with? This could be rules about who you can work with or whether you can work or leave the house alone. Please tell us about these.

If you are not sure about this please talk to your Friends, Family, Support Worker, or Care Manager.  
Or you can phone us on 0113 262 6409

Please tell us the name and contact details of the person who will be your learning partner at the Tomorrow's Leaders sessions.
