

# Annual Partnership Board Report

## An Introduction to these resources

As you will know, your local Annual Partnership Board Report has to be returned to the Public Health Observatory by 29<sup>th</sup> July 2011.

The full return form, along with the accompanying letter from Anne Williams can be found on the Observatory's website: <http://www.improvinghealthandlives.org.uk/projects/partnershipboardreports>

These resources have been developed to support your local engagement with self advocates and family carers, which is something you will have to evidence when you complete your local report.

In this pack there is:

- ✓ Checklist - Planning Your Local Session
- ✓ Session Invite Template
- ✓ Session Plan
- ✓ Presentation - Introduction to the Annual Report
- ✓ Presentation - Discussion Template and Feedback Forms
- ✓ Presentation – What does our Partnership Board Say?
- ✓ Yorkshire & Humber board regional overview report

Inclusion North has been asked to help local Partnership Boards complete the report by ADASS & the Deputy Regional Director for Yorkshire & Humber. You can contact us for more ideas & help on involving people if you want to.

Inclusion North is also going to do a report on the Yorkshire & Humber Partnership Boards' reports that shows what has changed since the last reports.
