

Lots of our members were very worried after the Panorama programme. They wanted to do something to make sure that things get better for themselves and their peers.

They asked us to write a letter for them to use to write to -

- Partnership Boards
  - Directors of Children's and Adult Services
  - Chief Executives of PCT's
  - M.P.'s and Local Councillors
  - Providers
  - Anyone else they can think of.....

We thought we could ask if the support they buy or provide would be good enough for them or their family. If not what are they going to do about it.

The letter is attached. Send it to anyone you like as many times as you like.

If you get any replies it would be good if we could share them. Please send me a copy of your reply letters to [lynn.james-jenkinson@pathwaysassociates.co.uk](mailto:lynn.james-jenkinson@pathwaysassociates.co.uk) or post it to the address at the top of this page if you can.

Thank you
